# IROQUOIS CENTRAL SCHOOL DISTRICT
# "HELPING HANDS PROGRAM"

We Americans are a proud peoples and in most part do not broadcast our personal troubles, whatever the cause. In today's difficult times, many of our friends and fellow community members are experiencing some very severe financial situations. Their being in need is difficult to discover. The school districts are mandated by the federal government to provide school age children with nutritious lunches and even breakfasts if necessary, while all the time maintaining the privacy and confidentiality of the individuals and families. The Iroquois Central School System adheres to this mandate. In doing so it has discovered that those children and their families have many additional serious needs. The I.C.S.D has established a "not for profit" program to address some of those additional needs. Those needs may be regular clothing or a prom or some special event attire. It may be financial assistance for an upcoming school event or it may be to provide for a family holiday dinner or a host of other needs to make a student's educational experience more enjoyable.

## The Elma Kiwanis Club and Kiwanis International is making a difference, "One Child at a Time".

It is our pleasure to support the I.C.S.D. "Helping Hands" program. We conduct a "Drive thru Chicken BBQ" at the Iroquois Senior High School parking lot during the annual I.C.S.D. vote night (this year it was on May 15). One hundred percent of the net proceeds are given to the Iroquois Key Club (a member of the Kiwanis Family) which in turn presents that amount to the "Helping Hands" program.

## THANK YOU FOR YOUR SUPPORT
