PROGRAMS FOR TEENS
Who Have Completed 6th, 7th and 8th Grade

CUSTOMIZE YOUR CAMP PROGRAM

This program will allow teens to participate in theme-oriented activities according to their personal preferences. Teens will go on weekly field trips, go swimming, eat lunch, and participate in special events and other various activities together as a group. Along with those daily activities, teens will also have the opportunity to choose a portion of the activities they do a few times a week, that way their day at camp is personalized and customized for them! Teens will choose each week between the ‘Creative Camp’ and the ‘Athletic Camp.’ A week in ‘Creative Camp’ may involve playing music, writing poetry, or even acting in a performance. In choosing ‘Athletic Camp’, teens may find themselves learning new sports drills, practicing good health and exercise routines, and taking nature hikes. Our staff of responsible leaders will ensure that no matter what their campers are interested in, they will be able to participate in a variety of fun activities and have an awesome summer! Additional field trip fees will be collected during camp each week.
